

Change to the General Terms and Conditions (GTC) for Mobile Services as of July 1, 2023

(1)

The new clause 11 «Price adjustment due to inflation» will be included in the General Terms and Conditions.

11. Price adjustment due to Inflation

In addition to clause 8, UPC may adjust the price for each service once a calendar year in line with the inflation. The inflation is calculated according to the Swiss Consumer Price Index of the Federal Statistical Office (CPI Basis December 2020 = 100 points). The starting index is the level of the CPI on January 1st, 2024. If UPC does not make a price adjustment for a service in a calendar year, this right does not expire in subsequent years. **In the event of a price adjustment due to inflation, the customer is not entitled to prematurely cancel the service.**
